

GLISTEN

A Holistic Medical Suspense Novel

*The death of western medicine.
The death of a federal agent.
The death of sisterly love.*

An explosive new law bans Western medicine and forces Americans to adopt naturopathic medicine as the only legal form of healthcare. Glisten is the biggest health revolution America has ever seen and sparks controversy that touches many lives... including twin sisters Isabelle and Charelle Adler, who haven't seen each other since they were teenagers.

Now Isabelle is a Health Enforcement Agent for the U.S. Department of Glisten and Charelle is deeply entrenched in the Resistance. Add in Isabelle's murdered fiancé and Dr. Jade, a naturopathic doctor who orchestrates a risky maneuver to save her marriage, and Glisten is a fast-paced story about holistic medicine, family secrets, and dangerous choices.
